**For Immediate Release**

### **Steve Whyte Recognized for Excellence in Accounting**

*For 25 years, Steve Whyte has provided stellar accounting services to doctors, dentists and orthodontists*

RANCHO CUCAMONGA, CA, November 24, 2014, Steve Whyte, General Manager of Whyte and Associates, has been recognized for showing dedication, leadership and excellence in accounting.

As general manager of Whyte and Associates, Steve Whyte brings with him more than 25 years of accounting experience and expertise. In his position, he is responsible for handling accounting and tax returns for small to mid-size businesses. Throughout Rancho Cucamonga and the surrounding region, he is known as the premier accountant for doctors, dentists and orthodontists. He provides a breadth of services, including bookkeeping, tax planning, tax preparation, payroll, audits and incorporation.

Mr. Whyte established his career after earning a bachelor's degree in political science from the University of Colorado in 1989. He holds an enrolled agent license, series 7 and series 66. In the years to come, he intends to maintain relationships with his clients, as well as grow the accounting and payroll arm of the practice.
